About the Pendleton Downtown Association

Situated on the I-84 corridor intersecting with US395 and Hwy11 provides fantastic access for this city of over 16,600 citizens to anywhere in the state of Oregon and beyond. With SeaPort Airlines service via the Eastern Oregon Regional Airport in Pendleton, Portland International Airport is only a 60-minute ride away. The I-84 provides direct access to Portland to the west and Boise to the east, each about 3-1/2 driving hours.

Molly will work with the Pendleton Downtown Association on a number of different projects. She will work to continue growing both their membership base and brand recognition through means such as social media, website development, and a monthly newsletter. In addition, Molly will create two new events to drive the people of Pendleton to downtown merchants. She will also collaborate with other entities around the town to spur economic development, second story development, and business retention.

Meet Molly Turner

- B.A. in Biological Anthropology and Spanish, Minor in Planning, Public Policy, and Management – University of Oregon Clark Honors College
- People may be surprised when they learn that I’ve visited over 26 countries.
- During my senior year of High School, I trained a horse from the ground up (Lyric). It was the first time I’d fully invested myself in a project. That satisfaction created a significant change in my work ethic and project management strategy.
